

Technology Centre – Energy Policy

The Technology Centre are committed to reducing the amount of Energy used at its Leighton Buzzard facility, by developing a culture of continuous improvement, through monitoring, setting targets, training and communication.

Our long and medium term goals are:

- Commit organisational resources to energy management
- Continual improvement in energy performance
- Review energy efficiency investments

Our short term objectives are:

- Set and publish energy savings targets through the Technology Centre Directors annual objectives
- Monitor energy usage through half hourly sub meters on a monthly basis
- Communicate the energy used and improvement measures to all staff within the organisation on a regular basis
- Comply with all legislation, standards and practices relating to energy use both at Company and individual level
- Provide support and resources to ensure that our operations are run in a manner that demonstrates both good professional practice and our commitment to this policy
- Supports, along with the procurement policy, the purchase of energy efficient products, services and design for energy performance improvement
- Regularly review and update the policy as necessary, at least annually
- Provide regular management reports on consumption
- Audit to ensure that personnel are familiar with and fully understand the Energy Management System

Accordingly we require all employees to be familiar with the Energy Management System and conduct their duties in a manner that is compatible with our objectives.

In addition, by undertaking the above there is a further benefit in reducing our Carbon Footprint.

This policy will be reviewed annually, and be adapted if changes to the company occur. This policy will be communicated to all staff via the intranet and copies will be posted on the notice boards. Furthermore, it will be made available to member sof the public via the VINCI Technology Centre UK Ltd website and on request.

R S Matthews
VINCI Technology Centre UK Limited Managing Director
